Join us for the Petrie-Flom Center's 2014 Annual Open House!

October 6, 2014 5:30 - 7:00 PM
Wasserstein Hall, Milstein West AB, 1585 Massachusetts Ave., 2nd floor, Cambridge, MA

Come learn more about what the Petrie-Flom Center does and how you can get involved at this gathering for faculty, colleagues, and students with shared interests in health law policy, biotechnology, and bioethics. We will review our sponsored research portfolio, introduce our staff and fellows, describe various opportunities for students and others, and demonstrate key features on our website. And of course, we'll eat, drink, and be merry. Hope to see you there!

The Open House reception will immediately follow the Legal and Ethical Issues in Healthcare Start-Ups Panel.
