HEALTH AND FOOD LAW OPPORTUNITIES AT HLS

Interested in global health, the Affordable Care Act and other U.S. health reforms, biotechnology and bioethics, FDA regulations, or federal and state food systems?

Hear from representative faculty working on Health Law and Food Law about their programs and other opportunities at HLS.

Mark Barnes, *Multi-Regional Clinical Trials Center at Harvard (MRCT); Ropes & Gray LLP*

Speakers will discuss how to gain experience in these fields at HLS, including courses, clinics, research opportunities, and much more. All students are welcome!

Emily Broad Leib, *Food Law & Policy Clinic, Center for Health Law and Policy Innovation*

I. Glenn Cohen, *Petrie-Flom Center*

Robert Greenwald, *Health Law & Policy Clinic, Center for Health Law and Policy Innovation*
