The Future of Health Law and Policy Conference

[The Future of Health Law and Policy: The Petrie-Flom Center's 10th Anniversary Conference Celebration](#)

March 29, 2016 8:00 AM - 5:00 PM

[Wasserstein Hall, Milstein East ABC](#)

[Harvard Law School, 1585 Massachusetts Ave., Cambridge, MA](#)

The Petrie-Flom Center is celebrating its first decade and kicking off the next by looking at the future of health law and policy!

Please join us as we bring together Petrie-Flom and other prominent Harvard Law School alumni to discuss major trends, developments, and open questions in the fields of health law policy, biotechnology, and bioethics. We'll hear about the founder's vision for the Center and the Dean's perspective on the Center's influence within the Harvard Law School community and beyond. Center Leadership will discuss what we have accomplished in the first ten years, and more important, our plans for the future. [Alan Weil](#), Editor-in-Chief of *Health Affairs*, will deliver the keynote address.

This event is free and open to the public, but seating is limited and registration is required. [Register now!](#)

Sponsored by the [Petrie-Flom Center for Health Law Policy, Biotechnology, and Bioethics](#) at Harvard Law School, with support from the [Harvard Law School Dean's Office](#).
