

With the new year underway, the Petrie-Flom Center is excited to welcome a new staff member: [Lisa Gorelik](#). Lisa will act as a Program Assistant, supporting administrative functions, event coordination, and community needs. Lisa is passionate about clinical care advocacy and bioethics, and comes to the Petrie-Flom Center with experience as a Clinical Research Coordinator at Brigham and Women's Hospital and as an Event Coordinator for a local community engagement group, Terra Soma Collective. Please join us in welcoming Lisa!

Join us February 9th for a webinar on [Unionization in Health Care](#). This event will cover legal and ethical aspects of unionization among health care workers and a snapshot of the current state of unionization. For more details, and to register, view the [event webpage](#). We'll also host a special event February 5th to mark the publication of [COVID-19 and the Law: Disruption, Impact, and Legacy](#). Stay tuned for details! You can find more information about [upcoming events](#), and details of our [past events](#), on our website. Events from the past few years are fully captioned and available to watch on-demand via [YouTube](#).

Spotlight on Scholarship

The NCAA May Pay a Healthy Sum to Student Athletes

The challenge of student-athlete compensation is a broader issue rooted in more than a century of health policy.
