

If your new year's resolution was to read more, perhaps add one of Petrie-Flom Center's edited volumes to your 2023 reading list! [The Future of Medical Device Regulation](#), based on Petrie-Flom Center's 2020 annual conference, delves into the challenges of balancing patient protection with innovation in the realm of medical devices.

Perhaps your resolution was more environmentally-minded? Delve deeper into [Climate Change and Health](#) on February 10th. This Health Policy and Bioethics Consortium will feature expert panelists exploring the role of the health care sector in advocating for policies to address climate change, as well as key challenges and opportunities. To register and attend the livestream, visit the [event page](#). Additionally, find information about all of our [upcoming events](#) on our website. If there is a past event you missed out on, check out our [YouTube](#) channel to enjoy fully captioned videos from the last few years.
