

Don't miss the deadline to submit an abstract for our [2023 Annual Conference! Health Law as Private Law](#) will explore questions of how private law can help to achieve health care reform or address a significant public health problem.

We are accepting submissions through October 17th. To learn more, visit the [Call for Abstracts on our website](#). And to get a sense of the cutting-edge scholarship featured in our annual conferences, check out [this series of short videos](#) with our [2022 Annual Conference](#) contributors!

We hope to see you at our event on [abortion rights and reproductive justice in Latin America](#) on October 21st. Two sitting international Supreme Court Justices — Justice Alfredo Gutierrez Ortiz Mena, of the Supreme Court of Mexico, and Justice Natalia Ángel Cabo, of the Constitutional Court of Colombia — will discuss recent landmark decisions liberalizing access to abortion. For those in the greater Boston area, you are welcome to join us in-person. A livestream option also is available for those who prefer to attend remotely. [Learn more and register now on the event page!](#)

Abortion Rights Under Siege in Italy Post-Dobbs

Now that the far right has reached the majority in both the Italian Parliament and Senate, access to abortion in Italy could soon face new restrictions.
