

Potential collaborators, take note! The Petrie-Flom Center has two exciting opportunities ahead. First, we are accepting submissions for an [online roundtable on advancements in reproductive care and technology](#) in partnership with the E&L Safra Center for Ethics at Harvard. The deadline for submissions is November 30th, and full details about the opportunity are available on [our website](#). We're also accepting submissions for a [digital symposium on disability and climate change](#), which we are hosting in collaboration with the Harvard Law School Project on Disability (HPOD), and the Disability-Inclusive Climate Action Research Programme (DICARP) at McGill Law Faculty. Proposals received before December 17th will receive priority consideration.

With the end of the year in sight, our events calendar is starting to wind down. If you missed any of our events this fall, be sure to check out our [YouTube channel](#) to watch fully captioned event recordings. Keep an eye on our [events page](#) for our last programs of 2022, and to stay updated on forthcoming 2023 happenings.
