

Applications are now open for [Psychedelics Bootcamp 2024](#), a three-day intensive training at Harvard Law School on legal, ethical, and policy issues surrounding psychedelics in medicine and society. From July 29 to August 1, participants will learn the information and skills necessary to become thought leaders in the field of psychedelics, and examine critical perspectives. Learn more and [apply here](#).

Graduate students across Harvard: Interested in becoming a PFC Student Fellow? Applications will soon open for our 2024-2025 cohort. Learn more about our fellowship program [here](#).

We have three key events coming up. On March 19, an ibogaine researcher, a certified recovery coach with lived experience, and a drug law expert will discuss [Psychedelics for Substance Use Conditions](#). On April 1, we will co-host an event, [Abortion and Jewish Law](#), with the [Julis-Rabinowitz Program on Jewish and Israeli Law](#) featuring new ideas from a range of scholars. Finally, join us on April 9 for [Locked in a Hot Box](#), exploring the impact of climate change on people who are incarcerated.
