

[Applications](#) for our 2024-2025 Petrie-Flom [Student Fellow cohort](#) are now open! The fellowship supports closely-mentored student research in health law policy, biotechnology, and bioethics and trains students to take advantage of online publishing to promote their scholarship. For more information on our recent fellows and their work, see our [website](#) and check out their writing on the Petrie-Flom Center's blog, [Bill of Health](#), featured below.

Don't forget: Applications for [Psychedelics Bootcamp 2024](#), a three-day intensive training at Harvard Law School on legal, ethical, and policy issues surrounding psychedelics in medicine and society, close March 31st. Learn more and [apply here](#).

Please register and join us for our upcoming events: On April 1st, [Abortion and Jewish Law](#) dives into religious freedom and Jewish challenges to restrictive abortion laws. The following week, on April 9th, [Locked in a Hot Box](#) examines the effects of climate change on people who are incarcerated.

---

## **Spotlight on Scholarship**

## **Our “Preconceived” Notions of HIPAA**

Concerned about privacy protections for pregnancy and abortion-related health data in the post-Dobbs environment? It looks like “Crisis Pregnancy Centers” (CPCs) have a disturbing new take on the Health Insurance Portability and Accountability Act.
