

We are excited to welcome our inaugural group of <u>affiliated researchers</u> to the Petrie-Flom Center. Affiliated researchers will support the PFC's <u>Global Health and Rights Project</u> (<u>GHRP</u>) and the <u>Project on Psychedelics Law and Regulation (POPLAR)</u> through regular contributions to <u>Bill of Health</u>, workshops, and other projects, and will share their expertise and perspectives on exciting developments in law, policy, and ethics.

Meet the <u>GHRP</u> and <u>POPLAR</u> research affiliates and learn more about their upcoming work in *Bill of Health*.
